

Heartfile at the IPIHD Investor Innovator Conference

May 18, 2012: The International Partnership for Innovative Healthcare Delivery (IPIHD) has been established to ascertain how successful innovations in healthcare delivery can be replicated to increase worldwide access to quality healthcare, while simultaneously making care more affordable. Heartfile was recently invited to present its Health Financing Project at its Investor-Innovator Conference which was held in Washington, D.C. on April 15 and was represented by Senior Consultant, Amir Matin. Details can be [viewed here](#).
