

Best Investments for Health Promotion

August 27, 2013: The 21st IUHPE World Conference on health promotion commenced in Pattaya, Thailand on August 25. Jointly hosted by the International Union of Health Promotion and Education (IUHPE) and Thaihealth, the four day conference focuses on “The best investments in health promotion”. Our President, Dr. Sania Nishtar, gave the keynote speech at the opening of the event. Michael Sparks, President of the IUHPE, termed the keynote speech as *“the perfect start to a conference on investing well in health: clear and inspiring”*. The text of this speech can be [accessed here](#).
