

November-December: featured blog posts

December 31, 2014: The Heartfile-hosted Pakistan Health Policy Forum features commentaries, resources and updates about Pakistan-specific health and population-relevant systems issues. View some of our recent posts which relate to [the World Diabetes Day](#), [the International Conference on Nutrition, in Rome, Italy](#) in November 2014 and [the 2014 World Economic Forum's Summit on the Global Agenda](#). Also featured this month is a story from [Heartfile Health Financing](#), which narrates [the plight of Tabinda](#), a gunshot victim, supported through the program.
