

Development partners, UN agencies and international organizations join forces for Ehsaas

Nov 15, 2019, Eminent intergovernmental agencies and international organizations have joined forces to support the roll-out of the Ehsaas poverty alleviation programme. The Ehsaas Development Partnership Group brought together 45 country heads and representatives from 25 development partners, UN agencies and international organizations working across Pakistan. Meeting today for the first time in Islamabad, the group discussed the terms of reference of their newly established group, the main objective of which is to provide integrated, coherent and aligned technical support and strategic advice to Government of Pakistan for the implementation of Ehsaas strategy. “Ehsaas aims to lift millions of people in Pakistan out of poverty, creating a welfare state in our country for the first time”, said Dr. Sania Nishtar, Special Assistant to the Prime Minister of Pakistan on Social Protection and Poverty Alleviation, who chaired the first meeting of the group.
