

# Global Consultation on Agriculture and Food Systems

March 28, 2019: The Benazir Income Support Program and the Global Panel on Agriculture and Food systems for Nutrition co-hosted a joint high-level dialogue on food systems in Islamabad on March 28. An outcome of the event is a statement of intent in which ministers, experts and other stakeholders agreed on specific, actionable policy options within their spheres of influence to support the provision of safe, affordable, accessible and healthy diets. The statement of intent is available at [glopan.org/Pakistan-nutrition-statement](http://glopan.org/Pakistan-nutrition-statement). The meeting was chaired by Dr. Sania Nishtar. Speakers included Tom Arnold and Prof Sandy Thomas, Director, Global Panel on Agriculture and Food Systems for Nutrition.
