

Report on the Future of Healthcare launched

May 9, 2019: Dr. Sania Nishtar, along with Dr. Andre Goy chaired the World Economic Forum Global Future Council (GFC) on the Future of Health and Healthcare over a two year period (2016-2018). GFC comprises expert stakeholders representing the public and private healthcare sectors. For the 2016-2018 mandate, members of the GFC worked together to provide insights on how the evolution of global health and healthcare will affect us all in the decades to come, including through the implementation of the Fourth Industrial Revolution. The Report which was launched this week can be accessed [here](#)

Insight Report

Health and Healthcare in the Fourth Industrial Revolution Global Future Council on the Future of Health and Healthcare 2016-2018
