

Viewpoint 65: 2010–grand challenges; January 11, 2010

A viewpoint titled '2010–grand challenges' by Sania Nishtar has been published in The News International on January 11, 2010. Full text is accessible at [View Points](#)

Context: Written at the dawn of 2010, this comment draws attention to the myriad of challenges facing Pakistan and highlights the crucial role of poor governance in compounding these challenges. Unless these are overcome, improvements in the lives of the disadvantaged and therefore their health status will remain a far cry.
