

# World Economic Forum in Dubai

November 13, 2014: The Summit on the Global Agenda 2015 was held in Dubai from November 9-11. The event is the world's largest brainstorming event, which annually convenes over 1000 thought leaders from around the world for the World Economic Forum's [Network of Global Agenda Councils](#), which are comprised of more than 80 groups of experts from around the world. Experts explored the latest developments in business, society and technology, to provide a better understanding of the fundamental transformations impacting our world. They collaborated in interactive workshops to provide innovative recommendations on some of the most pressing global challenges. Our president, Dr Sania Nishtar attended the Summit as a member of one of the health councils. Her Oped in The News with reflections on the Summit with regard to Pakistan can be [accessed here](#)
